

Exit Interstate 15 at exit 282, Proceed west on Main Street about 1 mile. At Center street, take a right and go north for 1/2 block. You will see the museum on your left (west). There are some limited parking spots to the east and south. Additional parking can be found on the west side of the building. The entrance to the museum is on the east side. Knap-in's are usually held downstairs or in the museum. Take time to see the museum while you are at the knap-in. It is filled with numerous historical items as well as a huge collection of rocks, minerals, and Native American artifacts. Free admission is extended to any and all who come to the museum on the day of a Knap-in.
