

Exit interstate 15 at University Parkway exit 272, head east towards the mountains. You will see UVSC on your left side. At the Sandhill Road light (the first light after getting off the interstate) take a left. At the round about take a right and head up the hill.(not the road that goes to the Sinclair the next right) Follow that road (Campus Drive) around the campus and park in Visitor Lot L. Don't worry about having to pay, the parking lot closes at 5:00pm on the nights we hold the Knap-in and you will be able to get out for free.
